

Household Garbage Collection Procedures at Individual Homes

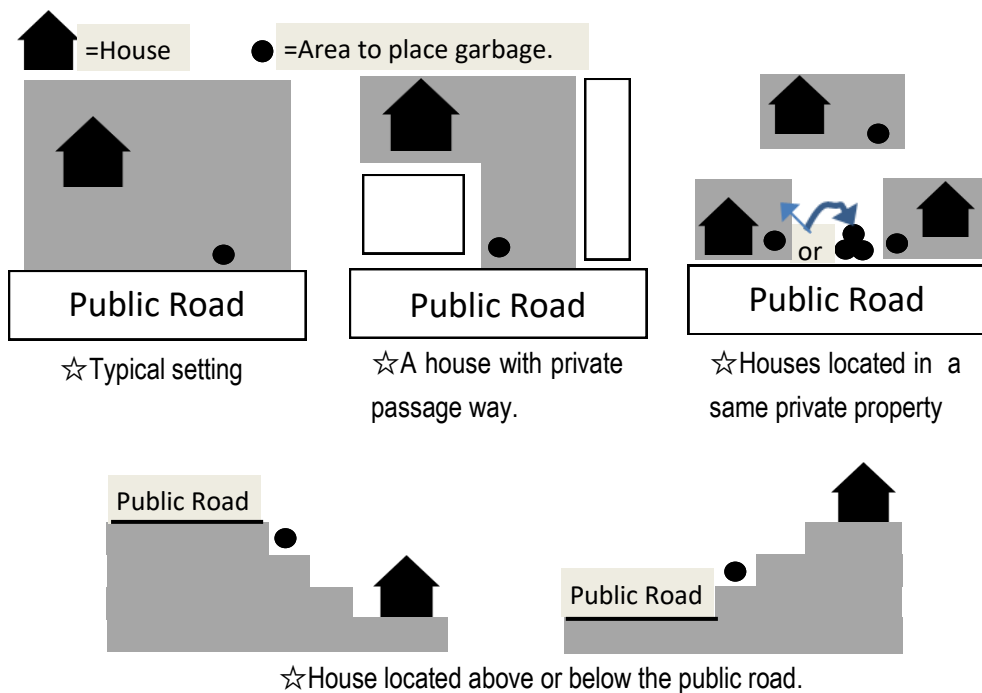

Nagae Area

◆How to dispose of your household garbage◆

◎All household garbage must be placed in a transparent or semi-transparent trash bag, properly sorted, and securely tied.

◎Household garbage must be placed at the area of your property as described in the below diagram no later than 8:30 a.m. on the scheduled collection day.

◎When placing household garbage, always cover it with net or plastic covering in order to prevent unnecessary scattering by wild birds and animals.
